

THANKS TO GOD, THE FEDICE FAMILY CONTINUES WORKING

*May the God of hope fill you with all joy and peace as you believe in him, so that you may overflow with hope through the power of the Spirit.
Romans 15:13*

FEDICE brothers and sisters in Ecuador and in the United States, we begin this circular letter, first thanking God and then thanking all the people who continue to support our work. The current situation in our country, the insecurity in which we live, the electricity outages were challenges, a new reality with which we had to learn to continue working.

Currently, FEDICE is working with 562 families in 25 projects. Most of the groups are located in the province of Cotopaxi (73%), in Imbabura 21% and in Carchi 6%. The livestock projects are 60%, 19% agricultural, 11% financial and finally 10% service and trade projects. We thank God because in spite of the difficult circumstances, FEDICE continues to work on the different projects with families in the communities. *I ask you to be strong and courageous, do not be discouraged or afraid, because I am your God, and I will help you wherever you go. Joshua 1:9*

PROVINCE	Families	%	TYPE OF PROJECT	%
CARCHI	34	6	AGRICULTURAL	19
COTOPAXI	410	73	LIVESTOCK	60
IMBABURA	118	21	FINANCIAL	11
	562	100	SERVICES AND TRADE	10

As every year, in December we deliver gifts to the families that are part of FEDICE.

May God reward those who contributed financially and thank you to all the people who gave their time to participate in the programs and activities, to reach out to the children, women of the groups that work with FEDICE, in summary, to the families in the different communities and provinces. *Work with good will in everything you do, as if it were for the Lord and not for people. Colossians 3:23*

FEDICE partners, on behalf of the children in the child care centers, thank you very much for the support we have always received. We are grateful for your good heart, your support for the benefit of the children. May God bless you and multiply your generosity. Thank you, brothers and sisters of the United States for being the light of hope that illuminates the dreams of our children through FEDICE. *Truly I say to you, as you did it to one of the least of these my brothers, you did it to me. Matthew 25:40*

This year, a new group joined the FEDICE family in Imbabura. The women's group "March 26" located in the Pijal Bajo sector. The group was created on March 26, 2020, with the participation of 5 representatives from different families. Later, more families joined this dream, thanks to discipline and perseverance, we have managed to maintain ourselves so far, says Abigail Pijal, treasurer of the group. Currently, the group is made up of 24 families, with a projection of reaching 30 families. As always and in everything, we put this and all projects in the hands of God. *"Put everything you do in the hands of the Lord, and your plans will succeed" Proverbs 16:3*

We conclude this letter, as always, thanking God for the families we have been able to support, such is the case of Juanita Tocagón and Eydan. What a joy it was to meet them, share, remember the difficult moments lived, but also to give thanks for the blessings received. *"Brothers and sisters from the United States, I thank you very much for my house, we are very happy and comfortable with Eydan and our family. He is now 5 years old, he is in school and we always thank God for everything you helped us with, the house that will be for our whole life.*

May God bless you, says an excited and happy Juanita. *Give thanks in all circumstances, for this is God's will for you in Christ Jesus." Thessalonians 5:18*

BLESSED NEW YEAR 2025
